### Teachers Enhancement Programmes.

To equip themselves with the latest innovative practices in the education scenario, teachers attended various orientation programmes conducted by the Sahodaya, CBSE and other publishers. They were oriented in their core subjects, and on topics like efficient classroom management, remodelled structure of assessment, Value education, art integration and experimental learning.

### Students Enrichment Programmes.

Various enrichment classes were organised for the students. Food and Nutrition classes by Ollur Health Centre for Std IX, Sex education for Std VII and VIII, career guidance for Std X and XI, Disaster Management for Std IX, Cyber Crime Awareness for Std VII, VIII, IX and Seed Programme for Std VIII and IX on Environment Conservation and Agriculture Cultivation were provided. Counselling is provided to needy students by Dr. Sr. Ruby CTC, an external counsellor from prasanthi Counselling Center, Edapally Kochi.

### Charity Work

Social responsibility is one of the visions that we strive to inculcate in our students. Various charity programmes are initiated in the school with this purpose. KCSL had collected a poor fund which was used to support economically backward children. Old newspapers were collected to raise money for the same. The food mela which will be organised in January is also a giant set to raise fund for charity.

All the good work of the school has been possible with the cooperation of the management and Judian Welfare Association. Their unstinted support has been instrumental in the smooth functioning of the school.

We would like to thank all the parents and our well-wishers who have lent a supportive hand through the years in all our endeavours to produce a confident, capable and productive batch of students each year thus shaping the future of our students who are the destiny of this country.

As we look back and contemplate on our challenging days we are deeply indebted to our former Principals especially Rev. Sr. Akhila Rose whose persistent and relentless efforts have led to glorious leaps in the school's history.

We thank God Almighty for all the blessings that he showered upon the institution. To keeo abreast with the challenges ahead, I invoke the blessings of our Heavenly Patron, St. Jude and the Founderss Servant of God Mother Eliswa.

Let me conclude the report with the famous lines by Dewey. " Arriving at one goal is the starting point to another"

Thank you.
